

Project: Parley's Trail; 300 West to Jordan River

Recipient: Salt Lake City

Location: Salt Lake City, Utah

Purpose: This trail crossing will provide cycling commuters, pedestrians and recreationalists with the first and only class- one route across this barrier of railway tracks other than 21st South and 33rd South roadways. Funding for this project will be used to construct a 12 foot asphalt trail on the bridge structure, one bridge over 600 West, and 12 foot asphalt trail sections on the east and west ends of the West Valley LRT bridge. The portions of the Parley's Trail that remain unfunded are connections on the east and west ends of the bridge over the Roper Rail Yard, a bridge section over 600 West, and the paving of the trail on the light rail bridge structure.

Amount: \$2,000,000
